LANDA proclaiming Digital is:

1. Mainstream
2. Game Changer
3. Offset Speed & Quality
4. Any Paper
5. Lowest Print Cost

Digitalisation

Canon : #UNLEASHPRINT

"The world of print has changed. It's no longer about compromise, it's about saying 'yes' to customers. It's no longer about limitations, it's about opportunities.

In a market that's ever-changing, Print Service Providers must continue to push the boundaries and adapt to seize new opportunities.

It's about creativity, inspired by passion for print.

Unlock your potential and print's great opportunity.

Digital Printing

- *Offset Printing VS Digital Printing
- *Toner Digital VS Inkjet Digital
- *Web Inkjet VS Sheet Fed Inkjet
- *Water based ink VS UV ink
- *Inkjet Digital VS Landa Nanography
- *Landa S10 B1 VS Heidelberg Primefire 106 B1
VS Indigo 50000

Rapid Manufacturing

FUJIFILM :

Productivity isn't just about **speed**,
it's also about **uptime**.

THANK YOU
